Dear Mr. Marcil:

RE: Addendum No. "C" to Project 0071-DC-2002-I24 (*Site Adaptation Design – Napaskiak*)

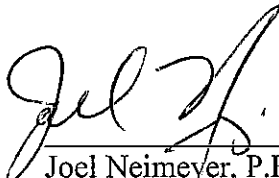

This letter is written in accordance to the Financial Assistance Award for the project referenced above. This is the third Addendum Letter issued by the Commission for this project to allow "Small Clinic" design funding of \$51,400 for a new community clinic in Napaskiak.

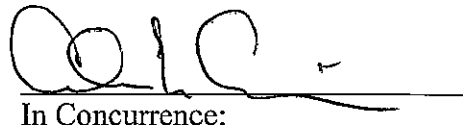

The Technical Assistance Subcommittee has approved the Napaskiak clinic business plan and ANTHC staff has approved the site plan checklist. Design funding is approved for \$50,000 (site adaptation for the Napaskiak clinic) and \$1,400 for ANTHC management fees.

It is my understanding that YKHC will complete site adaptation design within 30 days and then in 15 days provide a 100% design cost estimate for the proposed Napaskiak clinic.

If you have any questions, please call one of us at 907-271-1414.

Sincerely,

  
Joel Neimeyer, P.E.  
Health Facilities Program Manager
